Billing E-billing

Metering Smart Meter only

How can this Energy Plan end?

If our Agreement to supply you with energy ends, this Energy Plan will also end - including if you move to another address.

You can end this Energy Plan at any time.

We can end this Energy Plan:

- This is a Fixed Term Contract. We will notify you prior to the end of your term that the Market Contract will terminate and the supply of electricity will continue under a Standard Retail Contract;
- if your operated product does not remain eligible for this offer¹
- if you stop being a Small Customer; and
- if we withdraw this Energy Plan from sale – refer to the Agreement Terms for details.

¹In the event that your operated product is ineligible we will notify you in writing, your offer will revert to the offer you were on immediately prior to entering this offer. If you are a new Discover Energy customer, you will be placed on the relevant Smart Saver Offer.

Note: Self Trades may incur losses if trades occur during times where rates are lower than feed-in prices.

What happens when this Energy Plan ends?

The Agreement Terms and Conditions explain what happens when this Energy Plan ends. This is a Fixed Term Contract. We will notify you prior to the end of your term that the Market Contract will terminate and the supply of electricity will continue under a Standard Retail Contract;
